To whom it may concern,

We, Mary Moore and Henry Wilcox, Council persons of Lumber City, Ga., District 2 and all the citizens of said City, request from your office a signed letter from your office to Mayor Sue Sammons in 2010 giving her permission to sale any and all scrap metal, iron, etc., out of Amicord, a tire factory located on Industrial Blvd. Lumber City, Ga. 31549, that was condemned by your office as being contaminated. We also want to know if your office has a lien on said property. We have requested this documentation through an Open Records Request from Mayor Sue Sammons but she refuses to comply with our request which is a violation of the law. We thank you in advance for all information and your cooperation on helping us settle the matter. You can reach me, Mary Moore at 229-315-6617 or Henry Wilcox at 912-539-7499.
